Dear Teacher/Faculty,

As you are aware that we have invested in online education platform "WebEx". You will be the first batch of faculty/teachers from SBES which will be imparting Online & virtual education to our students.

Our institution has 100+ years rich experience in imparting education. Now along with this rich heritage we are entering into technology era of new-age education. We are sure you have attended few sessions conducted by CISCO for awareness of this virtual platform. We also hope that you are going through various online training videos available on WebEx.

Remember that the SBES management has taken fast decision and ensured availability of licences from cisco WebEx for immediate use. Our Science & Technology committee has generated email ids/user ids and temporary password for signing in the WebEx system.

We are launching this system for our 5 institutes in Aurangabad at present and in near future will extend the platform to other institutions.

Your email id /user id will indicate your institute code and class room. We expect you to join our institution's Digital Transformation journey and start using this software tool to its fullest potential.

Our science & technology committee along with respective management team are fully committed to do necessary handholding and extend necessary support.

We welcome you all in this new digital era and all the best for your best performance with this platform as well.

You need to go through the necessary technical instructions and extracts of your training sessions before you start using the software.

Refer following WebEx Login details for your information to schedule meeting.

1. Access your account by pointing your web browser to:
<https://sbes.webex.com>

2. Click the Login button in the upper right hand corner and use the following credentials:

User Name – sb*****@gmail.com (your cisco login id/ your Gmail id)

Password – *** (Your CISCO WebEx account password)

You are required to form a committee of 4-5 members who are proficient in computer operations and will be supporting users in using the software.

The SBES Science & Technology committee will conduct few awareness & training programs for these committee members and prepare them for supporting users.

In case of difficulty, please contact your computer teachers or any one of the Technology committee members.
