

SBES COLLEGE OF ARTS AND COMMERCE, AURANGABAD
DEPARTMENT OF Political Science

2013-14 to 2018-2019

PROFILE

A] Introduction (should be written in one page covering following a, b, c, d and e points)

a) Scope of the Subject Political Science is a subject which deals the entire functioning of the state. As science of the state, the role of political science is to encompass the area of internal and external security of the state. The main emphasis is given on the socio-economic stability of human life. It decides the role of each and every individual living in the state. Political Science is an old subject emerged with the existence of the state itself. The existence and the importance of the political science is linked with the utility value of the state. This subject is varied in the nature as the nature of the state accordingly. The political systems are not static in their nature. Old Greek political systems as well as the religious nature states and modern democratic states are the major examples to show this variety. The human civilization proceeds in the process of development. Political science as a subject of the state indicates this process of development defining the political role of the state

b) Significance of the Subject As a subject of study, political science plays crucial role in the human development.

- 1) It helps to create state as an important institution.
- 2) It defines the nature of the state.
- 3) Providing entire mechanism for functioning of the state.
- 4) It provides the internal and external security philosophy.
- 5) It plays an important role in creation of law and enforcement of law.
- 6) It provides the hope and aspirations to the people about justice, equality, liberty and good governance.
- 7) It defines the human rights and human dignity.
- 8) It provides the insight of good citizen and welfare state.
- 9) This subject deals the entire process of power functioning in the state.
- 10) It analyzes the political process and players engaged in it

c) Objectives of the Subject As an ancient subject, political science provides essential objectives to the human growth in the field of politics. The objectives are as follows:

- 1) To create the state and state ideologies.
- 2) To decide the nature and function of the good and bad political systems .
- 3) To provide philosophical background to each and every political system.
- 4) To provide the insight about state power functioning and rivalries.

- 5) To provide the ideologies of welfare and democratic systems.
- 6) To decide the objectives, ethics of international relations.
- 7) To make human life peaceful by providing insight about political role about individuals.

c) Introduction of the Department The Saraswati Bhuvan Education Society's Arts and Commerce College was established in June 1963 and got government sanction vide order of Education and Social Welfare Department, Sachivalaya, Bombay 32, No.UMF/2363/87831/U of dated 09/09/1963.
