About us

SBES College of Arts and Commerce is a place where students excel in their education, embracing the interconnectedness shaped by information and technology. In response to global shifts, we strive to provide a holistic education, nurturing specialized competencies and perspectives essential for navigating the complexities of the existing landscape.

Committed to serving our students optimally, we offer a diverse variety of undergraduate and postgraduate programs alongside a dedicated research center for PhD in Commerce. Beyond traditional courses, our assurance of excellence is reflected in the provision of add-on, value-added certificate courses in Humanities, Commerce, and Management Science. These additional offerings empower our students to meet the evolving challenges and demands of education and the workforce.

With a rich legacy, the Saraswati Bhuvan Education Society and our college have played pivotal roles in shaping the educational domain. Our Commitment to quality education is evident in the A+ accreditation by NAAC, reflecting the high standards at our college.

As we embrace the changes brought out by the National Education Policy (NEP), Our College is gearing up for effective implementation.
